

HMRC Approved Supplier list

Subscriptions

HMRC make allowances for employers to reimburse employees if they have paid certain fees and subscriptions paid to professional bodies that are directly relevant to their employment.

They supply a list on their website which details all the allowable fees and subscriptions which they update on a regular basis.

[Full List Here](#)

The most common fees and subscriptions we receive come from our teachers, social workers and those in the construction industry. These range from:

- National Union of Teachers Subscriptions
- British Association of Social Workers
- Association of Railway Engineers
- Institute of Construction Surveyors

PPE

With PPE we only accept work clothing purchased from specified work wear retailers such as Wickes, B&Q and Arco. When processing these expenses we make sure that these are relevant to the job role.

Subscription and fees and work wear will only be processed if supported by a valid receipt/invoice.

If you have any questions about this or anything else please contact expenses on 02392 883300 (option 2).
